4.a. Rationale

The following text is a placeholder for the content of the first paragraph in the document. It contains several lines of text that have been obscured by a pattern of asterisks and spaces, likely due to a scanning or redaction error. The text appears to be a description of a system or process, mentioning terms like "MDG" and "JMP".

The following text is a placeholder for the content of the second paragraph in the document. It contains several lines of text that have been obscured by a pattern of asterisks and spaces, likely due to a scanning or redaction error. The text appears to be a description of a system or process, mentioning terms like "JMP" and "MDG".

4.b. Comment and limitations

The following text is a placeholder for the content of the section titled "4.b. Comment and limitations". It contains several lines of text that have been obscured by a pattern of asterisks and spaces, likely due to a scanning or redaction error. The text appears to be a description of a system or process, mentioning terms like "MDG" and "JMP".

4.c. Method of computation

The following text is a placeholder for the content of the section titled "4.c. Method of computation". It contains several lines of text that have been obscured by a pattern of asterisks and spaces, likely due to a scanning or redaction error. The text appears to be a description of a system or process, mentioning terms like "MDG" and "JMP".

4.d. Validation

The following text is a placeholder for the content of the section titled "4.d. Validation". It contains several lines of text that have been obscured by a pattern of asterisks and spaces, likely due to a scanning or redaction error. The text appears to be a description of a system or process, mentioning terms like "MDG" and "JMP".
