#### **4.a. Rationale**

The following text is a placeholder for the content of the first paragraph. It contains a large block of text that has been obscured by a large black box. The text is likely a description of the MDG (Millennium Development Goals) and the JMP (Joint Monitoring Programme) data. The text is in English and is likely a description of the data used in the study.

The following text is a placeholder for the content of the second paragraph. It contains a large block of text that has been obscured by a large black box. The text is likely a description of the data used in the study.

## 4.b. Comment and limitations

The following text is a placeholder for the content of the 'Comment and limitations' section. It contains a large block of text that has been obscured by a large black box. The text is likely a discussion of the strengths and weaknesses of the study.

## 4.c. Method of computation

The following text is a placeholder for the content of the 'Method of computation' section. It contains a large block of text that has been obscured by a large black box. The text is likely a description of the methods used to calculate the results.

## 4.d. Validation

The following text is a placeholder for the content of the 'Validation' section. It contains a large block of text that has been obscured by a large black box. The text is likely a discussion of the accuracy and reliability of the results.
