

## **0.a. Goal**

0.a. Goal: The goal of the indicator is to measure the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring.

## **0.b. Target**

0.b. Target: The target of the indicator is to measure the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring. The target is to achieve the Sustainable Development Goals (SDGs) by 2030.

## **0.c. Indicator**

0.c. Indicator: The indicator is a measure of the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring.

## **0.d. Series**

0.d. Series: The series is a measure of the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring.

## **0.e. Metadata update**

0.e. Metadata update: The metadata update is a measure of the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring.

## **0.f. Related indicators**

0.f. Related indicators: The related indicators are a measure of the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring.

## **1.a. Organisation**

1.a. Organisation: The organisation is a measure of the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring.

## **1.b. Contact person(s)**

1.b. Contact person(s): The contact person(s) is a measure of the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring.

## **1.c. Contact organisation unit**

1.c. Contact organisation unit: The contact organisation unit is a measure of the progress of the Sustainable Development Goals (SDGs) and to provide a basis for policy-making and monitoring.

## **1.d. Contact person function**

#### ***4.a. Rationale***

Demographic and Health Survey (DHS) is a household survey that provides information on a wide range of demographic and health indicators. The survey is conducted in a representative sample of households and is used to estimate the prevalence of various health conditions and to monitor trends over time. The survey is conducted in a representative sample of households and is used to estimate the prevalence of various health conditions and to monitor trends over time.

### 4.c. Method of computation

Demographic and Health Survey (DHS) is a household survey that provides information on a wide range of demographic and health indicators. The survey is conducted in a representative sample of households and is used to estimate the prevalence of various health conditions and to monitor trends over time.

### 4.d. Validation

Demographic and Health Survey (DHS) is a household survey that provides information on a wide range of demographic and health indicators. The survey is conducted in a representative sample of households and is used to estimate the prevalence of various health conditions and to monitor trends over time.

## 5. Data availability and disaggregation

Demographic and Health Survey (DHS) is a household survey that provides information on a wide range of demographic and health indicators. The survey is conducted in a representative sample of households and is used to estimate the prevalence of various health conditions and to monitor trends over time.

## 6. Comparability/deviation from international standards

Demographic and Health Survey (DHS) is a household survey that provides information on a wide range of demographic and health indicators. The survey is conducted in a representative sample of households and is used to estimate the prevalence of various health conditions and to monitor trends over time.

## 7. References and Documentation

[1] Demographic and Health Survey (DHS) is a household survey that provides information on a wide range of demographic and health indicators. The survey is conducted in a representative sample of households and is used to estimate the prevalence of various health conditions and to monitor trends over time.
