NCDM 

International Journal of Tax and Finance (IJTF) is a peer-reviewed journal that focuses on the intersection of tax and finance. The journal covers a wide range of topics, including corporate taxation, international tax, tax policy, and the impact of tax on financial markets. The journal is published quarterly and is available online through the International Journal of Tax and Finance website. The journal is edited by a team of experts in the field of tax and finance, and it features a rigorous peer-review process. The journal is a leading source of information for researchers, practitioners, and policymakers in the field of tax and finance. The journal is also a valuable resource for students and scholars who are interested in the intersection of tax and finance. The journal is a must-read for anyone who is interested in the latest developments in the field of tax and finance.

## 4. Other methodological considerations

The International Journal of Tax and Finance (IJTF) is a peer-reviewed journal that focuses on the intersection of tax and finance. The journal covers a wide range of topics, including corporate taxation, international tax, tax policy, and the impact of tax on financial markets. The journal is published quarterly and is available online through the International Journal of Tax and Finance website. The journal is edited by a team of experts in the field of tax and finance, and it features a rigorous peer-review process. The journal is a leading source of information for researchers, practitioners, and policymakers in the field of tax and finance. The journal is also a valuable resource for students and scholars who are interested in the intersection of tax and finance. The journal is a must-read for anyone who is interested in the latest developments in the field of tax and finance.

### 4.a. Rationale

The International Journal of Tax and Finance (IJTF) is a peer-reviewed journal that focuses on the intersection of tax and finance. The journal covers a wide range of topics, including corporate taxation, international tax, tax policy, and the impact of tax on financial markets. The journal is published quarterly and is available online through the International Journal of Tax and Finance website. The journal is edited by a team of experts in the field of tax and finance, and it features a rigorous peer-review process. The journal is a leading source of information for researchers, practitioners, and policymakers in the field of tax and finance. The journal is also a valuable resource for students and scholars who are interested in the intersection of tax and finance. The journal is a must-read for anyone who is interested in the latest developments in the field of tax and finance.
